Crazy Golf Letter Set

Fun for all the family

Our **Mini Golf Course Sets** may be used either as a complete business on a small site, or as an added feature in an established pleasure park. The games arrive **ready to use**, and because they require very little installation work, they can start generating income almost immediately!

- Supplied to a variety of major companies both locally and abroad
- Fabulous earners
- Colourful and strong
- Real value for money
- Fun for the family
- Outdoor carpeted fairways
- Novel themed letter shapes
- Range of hazards
- Easy to position
- Versatile layout possibilities
- Self contained
- Quality construction

All of our golf course sets can be combined with a range of custom hazards!

**SIMPLE
SECTION
ASSEMBLY**

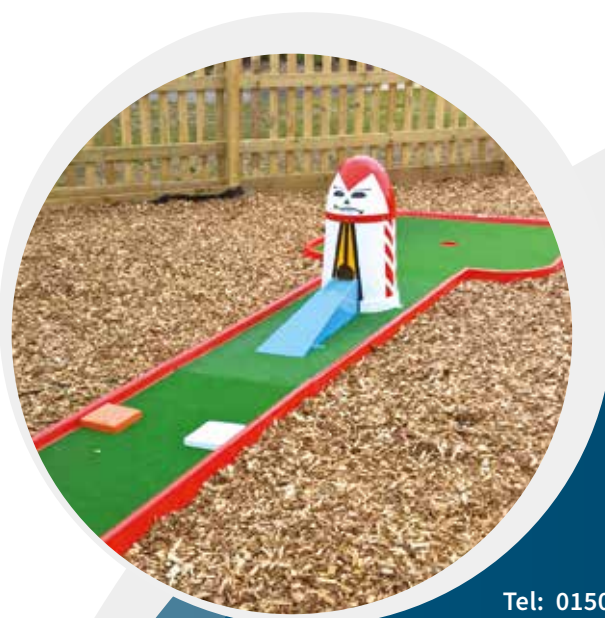

The Emperor

Classic golf range

The Emperor is the largest course in our range. It is a superb top quality mini golf course that can be adapted to many different layouts. The Emperor is available as either our Standard or Plus version.

- The average length of each fairway is 8m
- Reinforced construction
- Outdoor carpeted fairways
- Bright and colourful with real family appeal
- Competitively priced
- A very attractive money earning facility
- Can be coloured to suit any surroundings

The Empress

Mini golf range

The Empress is our mid range course which sits between our smaller Five Star crazy golf and our larger Emperor range. The Empress can be purchased as either our Standard Course with four novelty hazards or our Plus Course with nine novelty hazards.

**BUILT-IN
COLOUR
SCHEME**

- Manufactured from weather and water resistant glass reinforced plastics
- To assist against wear, the tee-off has a strong aluminium plate fixed
- Assembly of the main sections is from underneath with the large stainless steel nuts and bolts supplied

- Built in colour scheme
- Outdoor carpeted playing surface
- Pre bolted to accept its novelty hazards.

Hazards shown on the main image on this page have been supplied by the customer, and are available from DK Fibreglass Works at an additional cost.

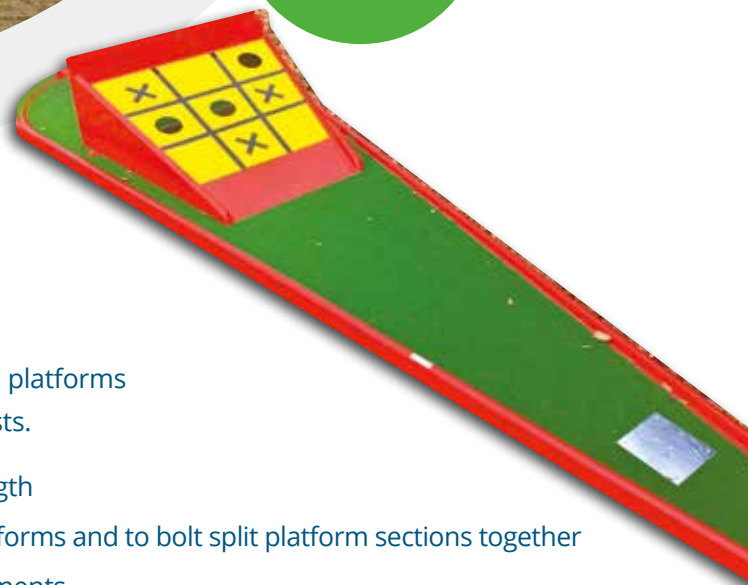

**SUPERB
VALUE**

5 Star

Eyecatching design

Our Five Star course includes 9 standard straight pear shaped platforms and 9 novelty obstacles. Bends can be added at additional costs.

- Platforms are ribbed throughout the underneath for strength
- Aluminium fixings are used to locate the hazards to the platforms and to bolt split platform sections together
- Portable: can be moved around to suit future site developments
- Low maintenance: pre-pigmented gelcoats and glass reinforced plastic used throughout
- Simple installation (any relatively flat surface can be used grass, bark, sand, gravel etc)
- Weather resistant
