Crazy Golf Letter Set

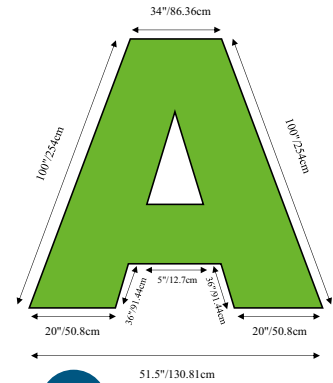

- The 'Crazy Golf' course is manufactured from weather resistant glass reinforced plastics
- Colours and reinforcement ribs are built in during manufacture. An aluminium tee-off plate is fitted to each platform
- On a standard course, the individual platforms arrive with small obstacles fitted and are pre-bolted for the larger obstacles
- The playing surface of each platform is covered with an outdoor carpet
- Aluminium fixings are used where appropriate. Simple wipe down maintenance will help maintain appearances
- Available in two options - Standard (4 Novelty Hazards) and Plus (9 Novelty Hazards)
- Any reasonably flat surface is suitable, i.e. grass, bark, gravel, concrete etc.
- Required space for the Crazy Golf course: **40ft (12.19m) x 40ft (12.19m)**

5 Star Range

- The Five Star Course comprises of 9 Standard Platforms and 9 Novelty Hazards. Bends can be added at an additional cost
- All platforms are ribbed throughout the underneath for strength
- Aluminium fixings are used to locate the tops to the platforms and to bolt split platform sections together
- The surface of the platforms are carpeted
- All colours are built in using pre-pigmented gel-coats, ensuring low maintenance
- Required space for the 5 Star course: **40ft (12.19m) x 40ft (12.19m)**

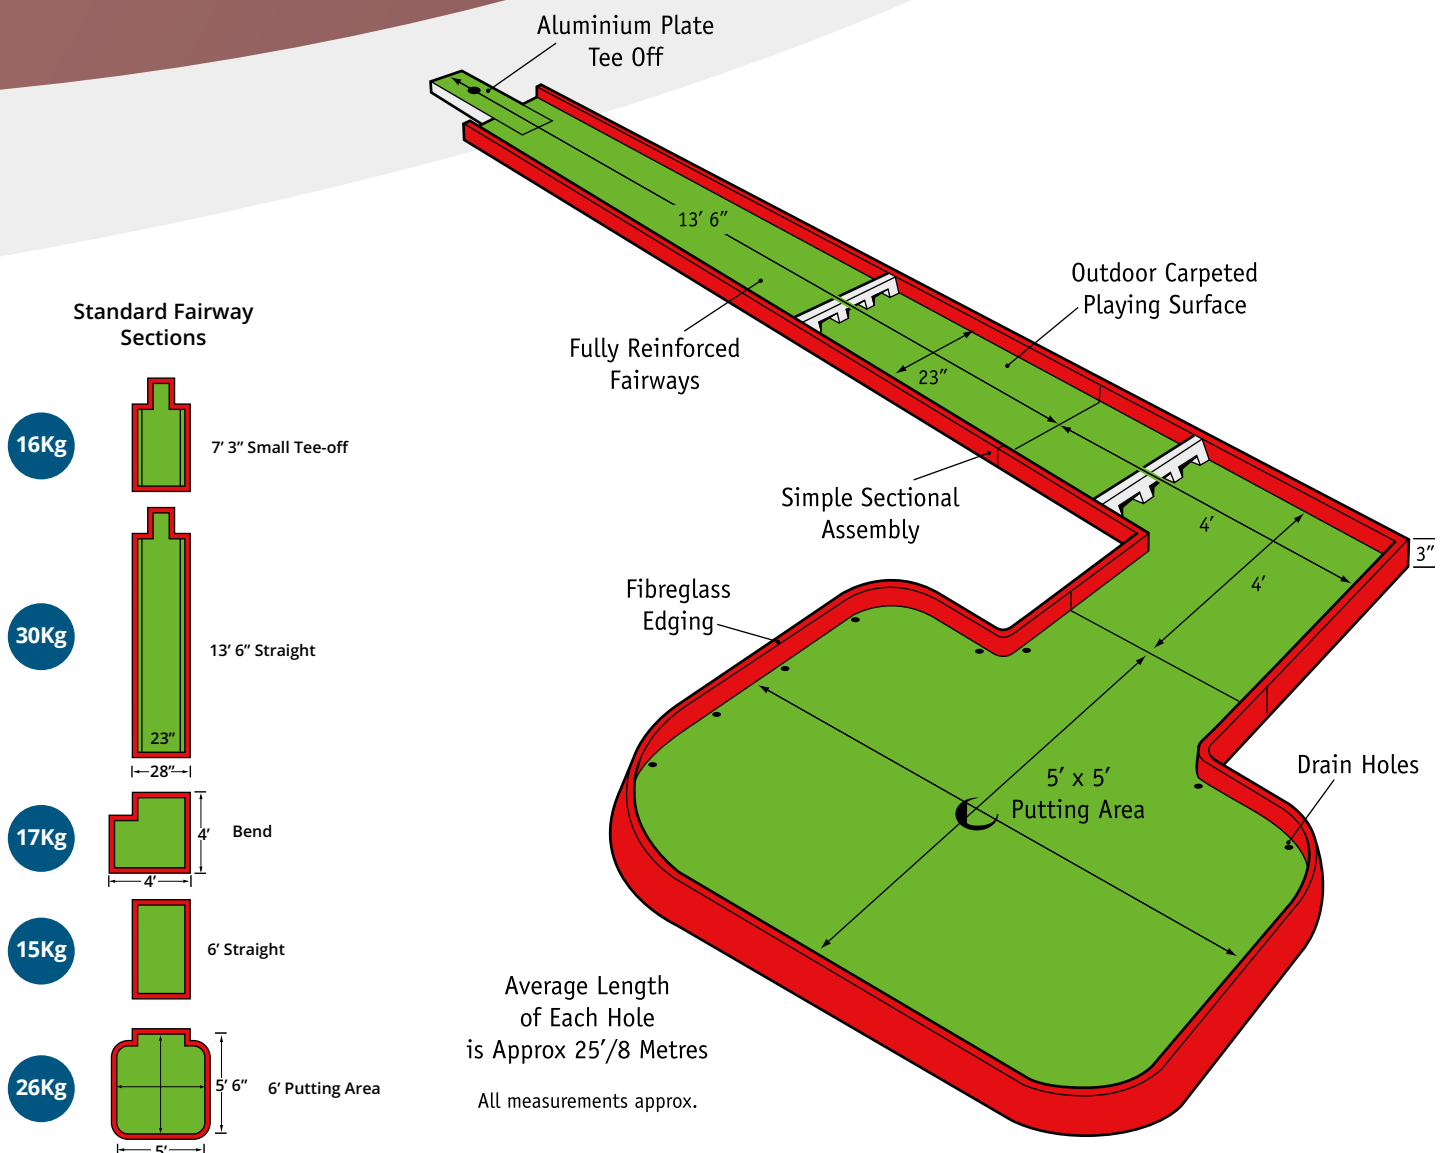

We believe that our Golf Sets are superb value for money and will compare favourably with any other miniature golf on the market. They very quickly pay for themselves, are eye catchers and stand the test of time. Best of all they are a true family attraction that all ages can use.

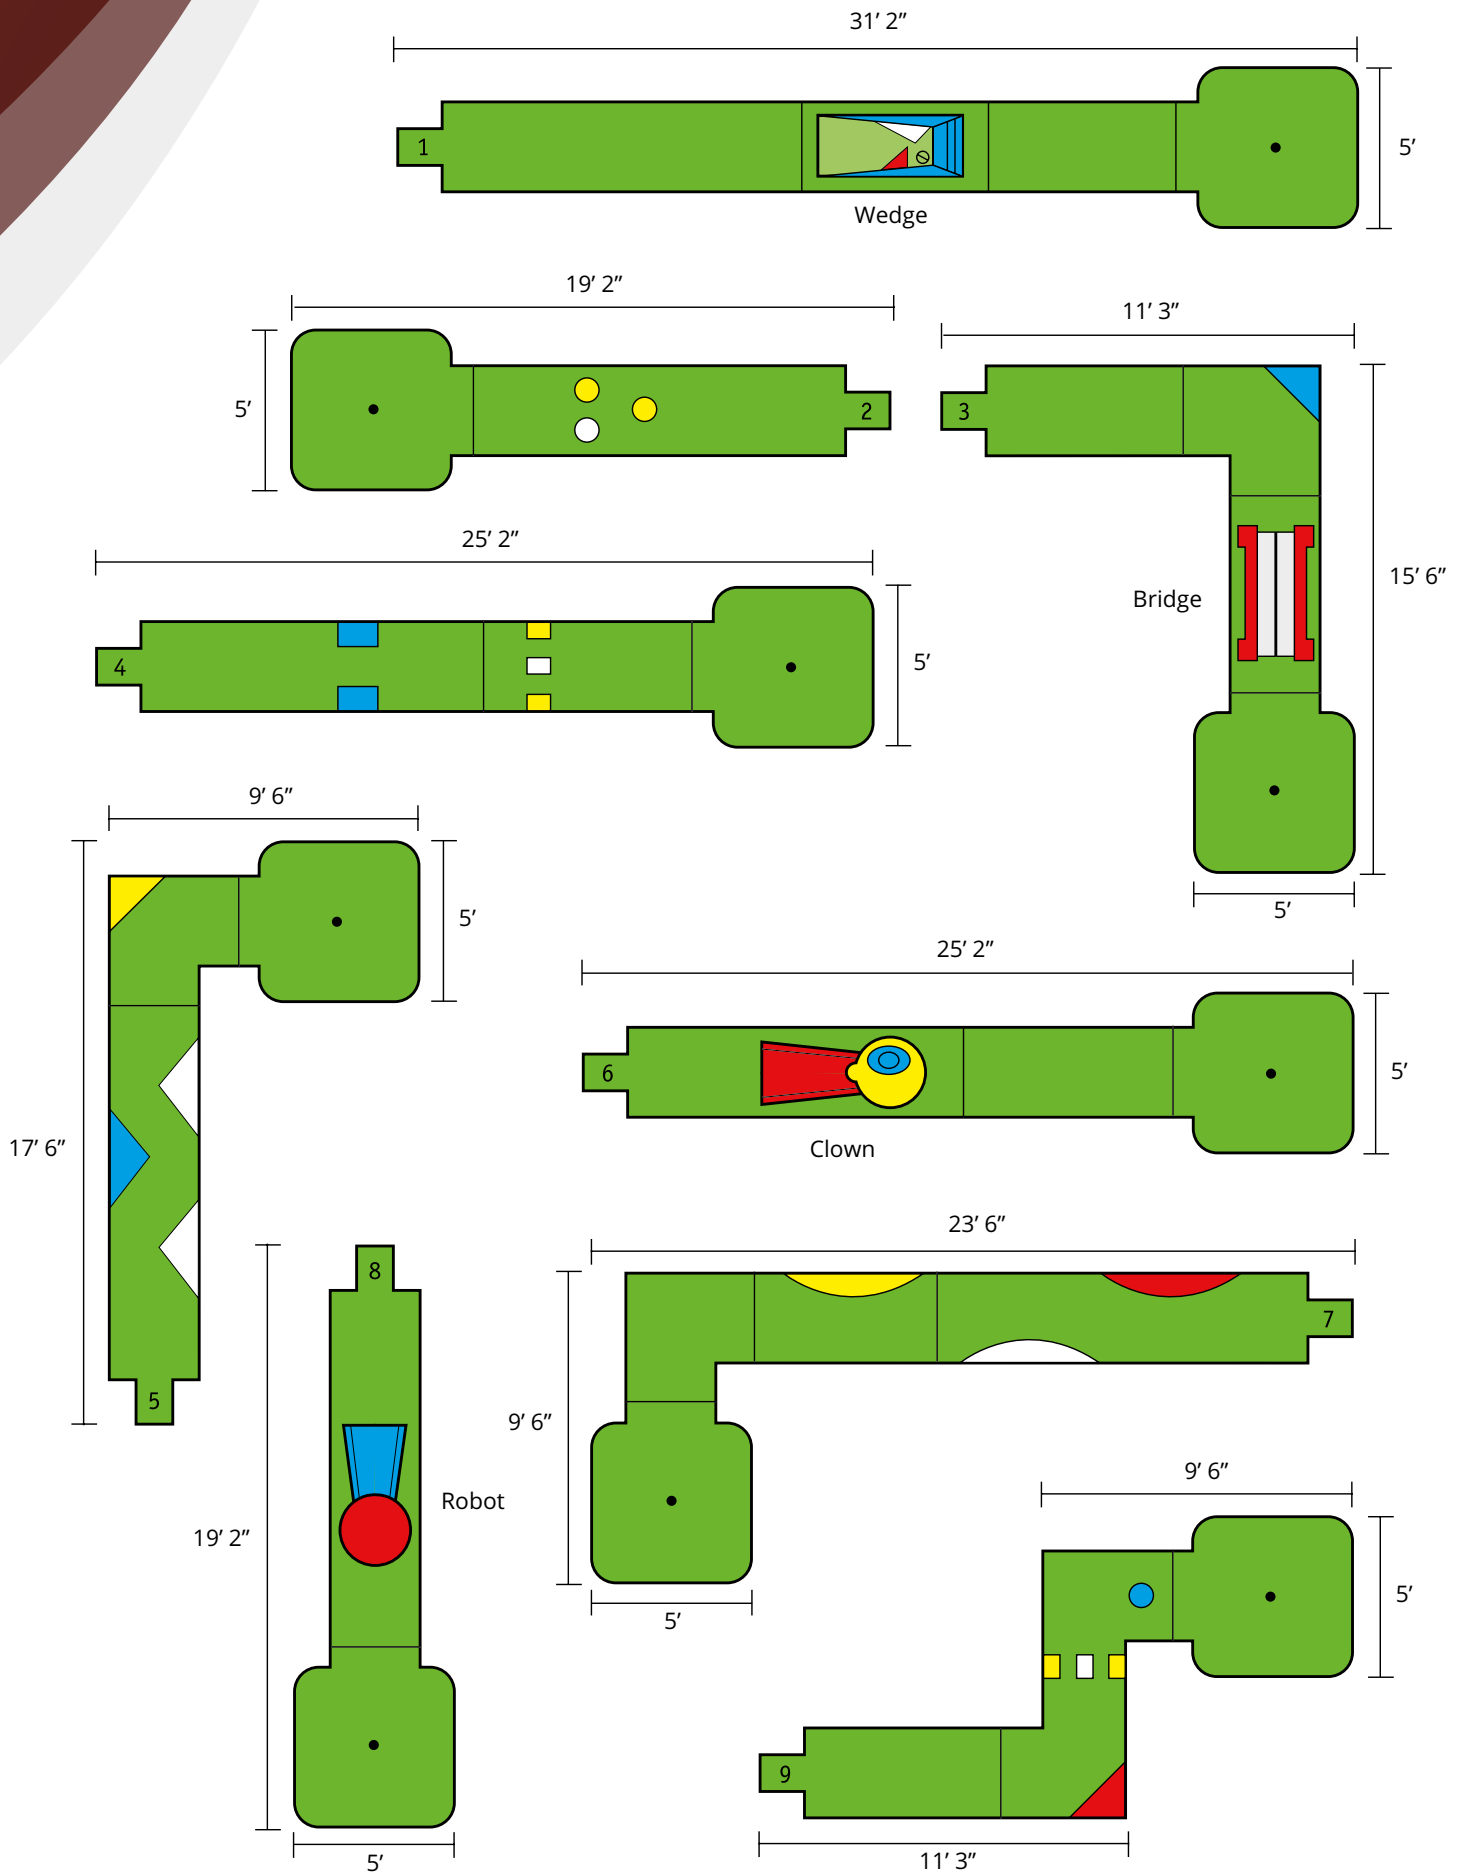

We reserve the right to alter specification All measurements approximate - do not scale.

Emperor Range

- The Emperor Golf Range is manufactured from weather and water resistant glass reinforced plastics
- Colours are built in during the manufacturing stage and simple wipe down maintenance will help this golf set maintain its appearance. Aluminium fixings are used where appropriate
- To assist against wear, the tee-off section has a strong aluminium plate fixed
- The standard golf course arrives with all small obstacles fitted and is pre-bolted for the larger obstacles
- Assembly of the main sections is from underneath with the large supplied S/S nuts and bolts
- Required space for the Emperor course:
60ft (18.28m) x 40ft (12.19m)
